

# KEEPING CHILDREN CONNECTED, TO LEARN & TO THRIVE

## #FairChanceToFlourish

Do you have old laptops you no longer use ?

Are they less than 10 years old and in good condition?

Why not donate them to help children to get online and learn?

Can you help us fund connectivity?

### IN BIRMINGHAM

# 5000+

## PUPILS NEED

## A DIGITAL CONNECTION AT HOME\*

\*a broadband connection, a suitable device or both

### WITHOUT Digital Access

- No access to online learning
- Poorer health outcomes
- Lack of voice & visibility
- Increased loneliness
- Risk of falling into poverty
- Less access to jobs

### WITH Digital Access

- Can do schoolwork at home
- Access to wider online learning
- Access to mental health support
- Connected to peers
- Access to jobs & opportunities
- Opportunity to build digital skills
- Access to online support & resources

### HOW OUR PROJECT WORKS

Donate old  
LAPTOPS

Schools identify disadvantaged children & families

Donated devices by individuals & businesses are repurposed to be internet ready

Mifi units & connectivity are added

Repurposed devices & connectivity donated to schools for distribution to those in need
